

Energy Pig Limited is a company working within the domestic/commercial market. We focus on the installation of energy efficient technologies. We recognise that our activities can have a direct impact on the environment on the grounds of our carbon emissions when travelling to and from installations. We also take into consideration our waste generation and seek to minimise this as far as reasonably possible.

Our company is committed to:

- Preventing Pollution and the continual improvement in its environmental performance
- Compliance with all environmental legislation, regulations and codes of practice relevant to the industry sector in which we operate

It is the policy of our company to:

- Make efficient use of natural resources any conserving energy and water, minimising waste, and recycling where possible
- Meet its duty of care requirements in relation to waste by ensuring the safe keeping, transportation and subsequent recovery or disposal of waste
- Use recycled construction materials whenever these can be commercially justified
- Keep transport use to a minimum and regularly service vehicles to maintain their efficiency
- Work with suppliers to ensure they recognise and reduce the environmental impact of their products and transportation

Our Company will endeavour to:

- Actively promote the use of recycled materials
- Establish systems for the prevention of pollution at sites
- Take due care and attention to prevent nuisance on site
- Keep sites clean and tidy to ensure minimum disturbance to clients and neighbours Liaise with the local community to minimise disruption to the local environment
- Set environmental objectives and publish them in the company's promotional literature

We will communicate this policy to all our employees and ensure they are given appropriate training to raise awareness of environmental issues. Energy Pig Limited will review this on an annual basis, taking account of any changes within legislation and our organisation, and other factors.

Any changes to our policy will be communicated to all our employees by giving them each a copy of the amended policy and updating any internal sources of information. Energy Pig Limited will make this policy available when requested to interested parties including members of the public.
